PRINCE2 Foundation & Practitioner

PRINCE2 is the world's most widely used method for managing projects. It helps you work out who should be involved and what they will be responsible for. It gives you a set of processes to work through and explains what information you should be gathering along the way. But PRINCE2 doesn't do the work for you; it cannot guarantee your projects will be successful.

Target audience:

- Project and Program Managers
- General Managers
- Team Managers and support staff
- Project Management Consultants
